2. SPONSOR AN ARTIST

This is our innovative “sponsor an artist” program for 2025 Festival, where the sponsor would get full exposure to everything related to the particular group including all promotion according to sponsor level as well as but not limited to the following:

- signage onstage of show and recognition by MC at the show.
- Your logo will be visible everywhere the artist is mentioned.
- Where possible we will mention on spoken promotion of the artist, promotional events, radio etc.
- Up close and personal with the artists.

The cost of sponsorship helps pay the expenses related to the particular group such as their fee, air travel, lodging, food and local transportation. Due to the prestige, the festival has acquired, many artists WANT to be involved and give us a very special rate. We also get considerable discounts for air transportation, food and lodging thanks to our sponsors. This is a tremendous value for the quality of the exposure. For as little as \$2,000.00 your business can be associated completely with an artist.
